Dear Commissioner Claggett,

I am writing you today to let you know that I am opposed to the 1000 ft set back for wind turbines. I feel that Letcher Township and Lincoln County have a fair ordinance distance of 1 mile from occupied residences. While I would prefer to not have them that close, I am trying to be reasonable. I encourage you if you have not already, to take a drive over to north of White lake and experience what it is like to be in close proximity to these structures. Thank you for your time.
