Subject: Department of Environment and Natural Resources File Number 2014.013
Diesel spill on Interstate 90 near Mitchell, SD

Dear Mr. Harriman

The Department of Environment and Natural Resources is contacting you once again regarding the above referenced release. A recent review of the file indicates that you have not submitted the Written Contamination Incident Follow Up Report that was sent to you in our original correspondence dated January 22, 2014. We are requesting that you submit the following information regarding this release.

- As soon as possible, please complete and return the attached Written Contamination Incident Follow Up Report form (this is a standard form so some questions will not apply to this situation, just skip those questions) as soon as possible. Electronic options for completing the form can be found at http://denr.sd.gov/des/gw/Spills/Incident_Follow_Up_Report.aspx
- Please provide a written narrative detailing the actions taken in response to this event, to include: the recovery and final disposition of the recovered substances; disposal receipts/land application forms; post cleanup pictures; and analytical results, as applicable.

If you have any questions or need additional information, please do not hesitate to contact me or Kim McIntosh at 605.773.3296. Thank you for your cooperation and assistance in protecting the quality of the water resources of South Dakota.

Sincerely,

Kelsey Newling
Environmental Scientist
