

Davison County Disaster Mitigation Plan Update

Meeting #1 Agenda

September 9, 2015 at 10:30 AM at the Davison County EOC

Davison County is beginning the process of updating its disaster mitigation plan. A series of planning meetings will be held this year to gather information for the plan. We are looking for input from the cities and towns within the county, as well as the rural utility providers and certain other organizations, which is why you are receiving this message. Proposed agenda items for the meeting are as follows:

1. Introduction

- Introduction of team members
- Discuss disaster mitigation planning process, including why the plan is being updated
- Discuss steps to complete plan (identify hazards, assess vulnerabilities, develop mitigation strategy)

2. Discuss information that will be needed to develop plan

- Information/data about past disasters (damage amounts, areas affected, etc)
- Identification of hazard prone areas (flood hazard zones, wildfire areas, etc)
- Development trends (demographics, housing starts)
- Current disaster mitigation resources and capabilities

3. Outreach discussion

- Encouraging public input
- Participation by other stakeholders

4. Identify Hazards

- Review hazards profiled in SD Mitigation Plan
- Review hazards profiled in county's current mitigation plan
- Determine which hazards to address in plan

5. Profile Hazards

- Location - area of county impacted by each hazard
- Extent - scope of possible impact for each hazard
- History - discuss history of each hazard's impact on county
- Existing resources and capabilities

6. Identify Community Assets

- Critical community assets and facilities in each city
- Other important local assets
- Vulnerable populations

District III will complete the risk assessment prior to Meeting #2. A summary of the results of the risk assessment will be distributed to the planning team prior to the next meeting.
