

Davison County Disaster Mitigation Plan Update

Meeting #2 Agenda

October 7, 2015 at 10:30 AM at the Davison County EOC

Davison County is in the process of updating its disaster mitigation plan. A series of planning meetings is being held this year to gather information for the plan. The first meeting was held last month. This meeting will focus on developing a mitigation strategy to address the hazards that were identified at the first meeting. Agenda items for the meeting are as follows:

1. Review Results of Risk Assessment

- Winter storm vulnerability
- Summer storm vulnerability
- Flood vulnerability (look at maps and tables)
- Drought vulnerability
- Wildfire vulnerability (look at maps and tables)

2. Identify Mitigation Goals and Priorities

3. Identify Mitigation Actions

- Review list of mitigation actions in current plan, including progress on implementation
- Determine which mitigation actions to include in this plan
- Gather information about each mitigation action (cost, responsibility for implementation, etc.)
- Prioritize mitigation actions

Prior to Meeting #3, a draft copy of the completed plan will be distributed to the planning team. The draft will be reviewed at the next meeting, at which time comments and suggestions will be considered. There will also be an opportunity to include additional mitigation actions. Comments also can be sent prior to the meeting to the Davison County Emergency Management Office (jeffb@davisoncounty.org) or to John Clem (John.Clem@districtiii.org).
