Subject: Department of Environment and Natural Resources File Number – 2016.137  
Pertaining to a diesel spill on Foster Street, Mitchell

Dear Mr. Muilenburg:

The Department of Environment and Natural Resources is contacting you regarding the subject event. This office has recorded information provided about this event on an initial spill report form (enclosed for your review). The procedures for assessment and cleanup for an event such as this were developed to prevent pollution of the state's water resources.

It is understood that local responders and Schoenfelder Construction personnel promptly contained and recovered the impacted substances for appropriate disposal at the Mitchell municipal landfill. In this situation,

- By August 26, 2016, please complete and return the attached Written Contamination Incident Follow Up Report form (this is a standard form so some questions will not apply to this situation, just skip those questions). Electronic options for completing the form can be found at [http://denr.sd.gov/des/gw/Spills/Incident\\_Follow\\_Up\\_Report.aspx](http://denr.sd.gov/des/gw/Spills/Incident_Follow_Up_Report.aspx)
- Please also provide a copy of disposal receipts.

Rick Lancaster has been assigned as the project manager of this case. Once Rick has received the completed report and receipts he will be pleased to submit this case for closure. If you have questions need additional information please contact Rick Lancaster or me at 605.773.3296. Thank you for your cooperation and assistance.

Sincerely,

Kim McIntosh  
Environmental Manager
