Re: No Further Action designation for DANR File# 21SP061410-2021.082: pertaining to a pesticide release on 263rd Street near 399th Avenue, near Ethan, SD.

Dear Mr. Wilson:

The Department of Agriculture and Natural Resources (DANR) has reviewed the available information regarding the pesticide release on 263rd Street near Ethan and determined further cleanup will not be required at this time. DANR is granting this release case No Further Action designation. Contamination remains; however, DANR has determined based on available information, there is no risk to human health or further risk to the environment.

Please note if future problems arise related to this release, CHS Inc. may be responsible to perform further assessment and cleanup actions if onsite conditions change and remaining contamination results in an increased risk to human health and the environment. The No Further Action designation will be recorded in DANR's release database and can be found at <https://apps.sd.gov/NR42InteractiveMap>.

Thank you for your cooperation in protecting the ground water resources of South Dakota. If you have questions or concerns about this site's No Further Action designation, please contact Jaclyn McGuire of my staff at 605.773.3296.

Sincerely,

Hunter Roberts
Secretary
