Sioux Falls, SD 57105

Subject: Department of Agriculture and Natural Resources File# 2021.143,
pertaining to a tire fire event, 720 North Main Street, Mitchell, SD.

Dear Mr. Mickelson:

The Department of Agriculture and Natural Resources is contacting you regarding the event noted above. Based upon our information, you have not returned any of the required paperwork and proof of cleanup for the tire fire event as stated in a previous letter addressed to you, dated September 8, 2021. Our office wishes to ensure this incident was properly addressed and respectfully requests your full consideration in this matter.

DANR requires the proper disposal or recycling of damaged tires along with a copy of disposal or recycling receipts. In addition, please complete the Incident Follow Up Report form attached with this letter.

If you have any questions or need additional information, please do not hesitate to contact me at 605.773.3296. Thank you for your cooperation and assistance.

Sincerely,

Jaclyn McGuire
Environmental Scientist
