

SOYBEAN PROCESSING PLANT LOCATION RECONSIDERATION PETITION

WE, THE UNDERSIGNED property owners of Davison County in the state of South Dakota, petition that the proposed South Dakota Soybean Processors (SDSP) processing plant not be located in Prosper Township, section 11.

We acknowledge that the proposed processing plant will provide beneficial economic development to Davison County and the city of Mitchell. However, the site being considered in section 11 of Prosper Township is unsuitable for the following reasons:

- Safety on Highway 37, 257th Street, 258th Street, and corresponding intersections will be negatively impacted due to high truck traffic and increased rail traffic.
- Decreased values of current residential properties.
- Potentially dangerous chemicals onsite.
- Decreased air quality.
- Noise pollution.
- Light pollution.
- Negative effects on wildlife.
- High water usage affecting existing residents' water pressure.

Therefore, the undersigned property owners respectfully request that the SDSP processing plant be located to a less populated site in the county.

INSTRUCTIONS TO SIGNERS:

1. Signers of this petition must individually sign their names in the form they usually sign their names.

SOYBEAN PROCESSING PLANT LOCATION RECONSIDERATION PETITION

WE, THE UNDERSIGNED property owners of Davison County in the state of South Dakota, petition that the proposed South Dakota Soybean Processors (SDSP) processing plant not be located in Prosper Township, section 11.

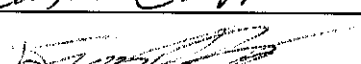

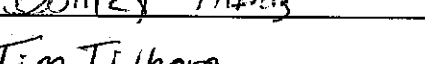

We acknowledge that the proposed processing plant will provide beneficial economic development to Davison County and the city of Mitchell. However, the site being considered in section 11 of Prosper Township is unsuitable for the following reasons:

- Safety on Highway 37, 257th Street, 258th Street, and corresponding intersections will be negatively impacted due to high truck traffic and increased rail traffic.
- Decreased values of current residential properties.
- Potentially dangerous chemicals onsite.
- Decreased air quality.
- Noise pollution.
- Light pollution.
- Negative effects on wildlife.
- High water usage affecting existing residents' water pressure.

Therefore, the undersigned property owners respectfully request that the SDSP processing plant be located to a less populated site in the county.

INSTRUCTIONS TO SIGNERS:

1. Signers of this petition must individually sign their names in the form they usually sign their names.
2. Before the petition is filed, each signer or the circulator must add the residence address of the signer and the date of signing. If the signer is a resident of a second or third class municipality, a post office box may be used for the residence address.
