To Davison County Board of Adjustment:

The City of Mitchell has applied for a Conditional Use Permit to construct and operate a Shooting Range on land within your jurisdiction. The legal description of the parcel is the NE 1/4 including Irregular Tract 1 lying within, Section 36, T 104 N, R 61 W of the 5th P.M., Davison County, South Dakota. The land located in the Agricultural District. This application is in pursuant to Davison County Zoning Ordinance Section 3:04 (35), 1106 (1) and 1206 (B).

This is the City of Mitchell's official request to postpone the hearing being held on September 19, 2023 at 1420 N Main Street, Mitchell, SD to a date yet to be determined. The reason for this request is that the City of Mitchell would like to hold a Board of Adjustment hearing at the Watertown Area Shooting Complex located at 1648 20th Ave SE Watertown, SD 57201 for the board and public to better understand the scope of the project. The City of Mitchell is also requesting that due to the size of audience at the Davison County Planning Commission meeting held on September 5, 2023 that the final hearing by Board of Adjustment be moved to the Davison County Fairgrounds Complex located at 3200 W Havens Ave, Mitchell, SD 57301.

Thank you for your consideration.

Respectfully yours,

Joe Schroeder
Public Works Director
