13. Good of the Order:
- i. Vehicle maintenance: The slow leak on the Gold Dodge was repaired. The MEOC also had a leaking tire repaired.
  - ii. POET Grant towards the boat/trailer was not granted to us. EM Bathke is pursuing other grants.
  - iii. Discussion held on looking into small quiet generators to be purchased for use with light sets. Having a small generator that can be carried rather than wheeled along with being a "quiet run" model would be advantageous for events like the Pre Sturgis Party on main street, but also for many other uses.
14. Training: SR Steve Nedved is putting a training event together for all members regarding Dive Operations. He wants to hold it in August of 2024. There will be one night of classroom training that will need to be completed before then. Unit members need to contact him directly on their availability so he can set up the training. It would be great to get as many members to participate as possible.
15. Next Meeting is scheduled for Aug 4, 2024, at 6:30 PM.
16. Adjourn meeting at 7:14 PM. Motion by CPT Baker, second by SR Lambert. All members voted aye. Motion carried.
