 - a. Search & Rescue Administrative Manual & By-Laws: The group discussed how they were updated not long ago, and to recheck for an updated one. EM Wegleitner will look when in the office.
 8. New Business for discussion only:
 - a. Equipment/Vehicle Storage: EM Wegleitner explained that the Davison County Commissioners asked if we would move some of our vehicles/equipment to the north offices due to a lack of space. The group discussed the issue of having everything in two different locations and the fact that the north building is not heated for certain equipment. We discussed that we would be fine with the equipment trailer being moved there if necessary.
 - b. Enclosures for the back of the Rangers: EM Wegleitner asked the group if we wanted to purchase an enclosure for the back end of the side-by-sides. We decided it wouldn't be worth the money. Instead, we discussed buying toppers with a Decked System and wind doors for the trucks. This would allow us to carry equipment and potentially get rid of the equipment trailer to free up space.
